

ROAD MAP

So many exciting plans

NFT phase

- Secret community artworks sale
- Presale for active community members
- Public sale-> artworks will be put up for sale digitally
- Early Medieval NFT holders will receive a free NFT airdrop
- Minting price will constantly grow, so your NFT gains value

Cryptocurrency phase

- Medievalnfts by core token - MNBC token
- Airdrop for medieval NFT holders
- MNBC/MATIC listing on quickswap
- 20% of the MATIC from NFT sales will be used for liquidity pool
- partnership with kogefarm.io - super high APY vault

Metaverse phase

60% of our total profits will be used to hire a metaverse blockchain developer to create a unique gallery for us to showcase our vintage art pieces in the metaverse gallery
